**A**brazo Health Care, part of Nashville-based Vanguard Health Systems, serves the metropolitan Phoenix community as one of the largest health care organizations in Arizona. Committed to our mission of helping people achieve health for life, Abrazo is a rising leader in the delivery of quality, personalized health care, operating six hospitals, a physician medical group, two health plans, and several service-specific institutes and centers.

### Abrazo empowers health for life.

At Abrazo, we are transforming our facilities into destinations where safe, quality care and personalized attention are equally important. With service and compassion for each patient at the core of everything we do, we are creating life-long relationships by changing the way health and health care are delivered to our communities.

### OUR CAMPUSES

#### Arizona Heart Hospital, a campus of Phoenix Baptist Hospital

Since 1998, the 59-bed Arizona Heart Hospital has provided full-service acute care and been recognized as the area's leading hospital for the diagnosis and treatment of cardiovascular disease.

#### Arrowhead Hospital

A 2011 *US News & World Report* Best Hospital, the 217-bed facility in Glendale, a northwest suburb of Phoenix, specializes in cardiovascular, orthopedic, surgical and obstetrical care, including a neonatal ICU, and has been the recipient of numerous national recognitions.

#### Maryvale Hospital

With 232 beds, Maryvale Hospital offers comprehensive inpatient services, and the hospital's 24-hour emergency care and accredited chest pain center support the health care needs of the Maryvale area and its surrounding communities.

#### North Peoria Emergency Center, a campus of Arrowhead Hospital

A full-service medical care emergency facility located in Peoria and operated by Arrowhead Hospital, this 14-bed center is open 24 hours a day and staffed by board-certified emergency physicians and specialty-certified nurses.

## Paradise Valley Hospital

The top hospital in its category in *Ranking Arizona's* 2011 Best of Arizona, the 136-bed, full-service acute care facility in north Phoenix offers state-of-the-art orthopedics, rehabilitation services, and dedicated women's programs.

## Phoenix Baptist Hospital

Phoenix Baptist Hospital, a 221-bed acute care facility and teaching hospital, has been serving central Phoenix communities since 1963. The Joint Commission designated the facility as a primary stroke center, and other specialties include breast health, joint replacement, sleep disorders, and more.

## School-Based Health Centers

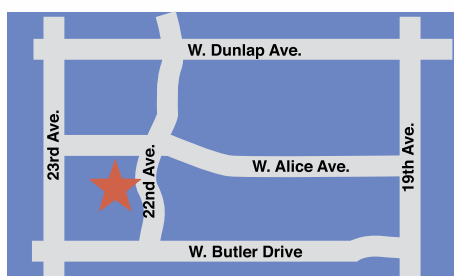

The School-Based Health Centers program is comprised of four licensed clinics and a mobile health unit that serve over 76 schools in seven Phoenix-area school districts. Annually, the centers provide medical services to more than 3,400 underprivileged children, and dental services to 1,700.

## West Valley Emergency Center, a campus of West Valley Hospital

Operated by West Valley Hospital, this comprehensive emergency facility is located in Buckeye and staffed by board-certified emergency physicians and specialty-certified nurses who provide 24-hour care.

## West Valley Hospital

The 164-bed West Valley Hospital serves the growing western region of metro-Phoenix and features advanced surgical technology, obstetrical and cardiovascular care, and women's diagnostic services. The facility is also a Joint Commission-designated primary stroke center stroke center, and is certified as a cardiac arrest center.

## OUR MEDICAL GROUPS AND INSTITUTES

### Abrazo Medical Group

A network of practices comprised of employed primary care and specialty physicians, surgeons and hospitalists, Abrazo Medical Group physicians and staff are committed to providing the highest quality medical care for people of all ages.

### Arizona Heart Institute

An affiliate of Abrazo Medical Group, the Arizona Heart Institute continues to be one of the world's leading providers of cardiovascular care. Founded in 1971, the institute is one of the nation's first freestanding outpatient clinics dedicated solely to the prevention, diagnosis and treatment of heart and vascular disease.

### Abrazo Clinical and Translational Research Institute

The Abrazo Clinical and Translational Research Institute serves as the central office for all research planning and alignment with regulatory requirements, to advance the body of science promoting collaborative integrated partnerships with our physicians and patients in the communities we serve.

## OUR HEALTH PLANS

### Abrazo Advantage Health Plan

Abrazo Advantage Health Plan serves more than 2,700 members in Maricopa and Pinal counties, and has been honored by *Ranking Arizona's* Best of Arizona.

### Phoenix Health Plan

Phoenix Health Plan, a Medicaid plan, has been a trusted partner of the Arizona Health Care Cost Containment System for more than 25 years, serving more than 200,000 members throughout Arizona.
